Connecticut Agricultural Science and Technology Education Program Application for Student Admission

Agricultural Science and Technology Education (ASTE) programs serve secondary students in full- and shared-time programs. Each program is located at a comprehensive high school with the exception of Bridgeport Regional Aquaculture Science and Technology Education Center, which has its own independent facility. The ASTE programs prepare students for college and careers in animal science, agribusiness, agricultural mechanics, aquaculture, biotechnology, food science, marine technology, natural resources, and plant science (not all ASTE centers offer all the afore mentioned programs). The ASTE programs incorporate a hands-on, active curriculum that integrates subject area skills and knowledge, applied skills in the core subjects of mathematics, science and English/Language Arts while incorporating leadership skills and work-based learning experiences through the National FFA Organization and supervised agriculture experiences.

INSTRUCTIONS

Any person who has completed the eighth grade is eligible to be considered for admission to an Agricultural Science and Technology Education Program. You and your legal guardian must complete this application with the appropriate signatures and return it to your school counselor so that the school section may be completed.

Relation to Student

**AGRICULTURAL SCIENCE & TECHNOLOGY EDUCATION CENTERS
STUDENT AND PARENT/ GUARDIAN AGREEMENT**

I understand that Agricultural Science and Technology Education (ASTE) Centers utilize the Three Circle model of Education: Classroom/Laboratory Experiences, Supervised Agricultural Experience Program (SAE) and student leadership through the FFA. While enrolled in an ASTE Center, I must be on track to graduate with my class and I will obey all rules, requirements, and commitments of the high school and Agricultural Education Program

I understand that I will keep track of my activities and out-of-school experiences in a SAE record book or an online tracker. I understand that my SAE program is conducted outside-of-class time.

I understand that, because of the nature of the program, field trips are taken often and agricultural work is done in class to prepare the student for a career and college in agriculture and related occupations. All students shall take part in and dress appropriately for these experiences.

I understand and agree to participate in this program as a member of the FFA. Class/lab work, supervised agricultural experience, and FFA participation are all essential and integral for success in my Agricultural Education program.

1. Demonstrated interest in a career in an agricultural or agricultural related field.
2. Personal meeting and/or interview with ASTE staff and/or school personnel.
3. Counselor, teacher, personal recommendations.
4. Attendance record.
5. Academic records.
6. Behavioral records.
7. Standardized assessment scores.

The Connecticut State Department of Education is committed to a policy of equal opportunity/affirmative action for all qualified persons. The Connecticut State Department of Education does not discriminate in any employment practice, education program, or educational activity on the basis of race, color, religious creed, sex, age, national origin, ancestry, marital status, sexual orientation, gender identity or expression, disability (including, but not limited to, intellectual disability, past or present history of mental disorder, physical disability or learning disability), genetic information, or any other basis prohibited by Connecticut state and/or federal nondiscrimination laws. The Connecticut State Department of Education does not unlawfully discriminate in employment and licensing against qualified persons with a prior criminal conviction. Inquiries regarding the Connecticut State Department of Education's nondiscrimination policies should be directed to: Levy Gillespie, Equal Employment Opportunity Director/Americans with Disabilities Act Coordinator, Connecticut State Department of Education, 450 Columbus Boulevard, Suite 607, Hartford, CT 06103, 860-807-2071, Levy.Gillespie@ct.gov.

Mandatory Meeting

As part of the application process, there will be a mandatory parent/guardian informational meeting scheduled on **December 7, 2017 at 7:00pm** in the Wamogo High School auditorium. A parent or guardian must attend this event if your child is applying to the Wamogo Agricultural Science and Technology Program. Students do not need to attend this event.

Please note that if there is inclement weather and school is closed or closes early, this meeting will be cancelled. The make up date will be on December 11, 2017 at the same time and place.

If you are unable to come to the informational meeting on the scheduled date, please contact the ag office at 860-567-6649 to set up an alternate time.

Open House

We will be hosting an open house at the Wamogo Ag Center on **November 1, 2017 from 4:00pm-8:00pm**. All interested students and their parents or guardians are encouraged to come. There will be displays and demonstrations going on throughout the night to showcase what current Ag students are learning in their classes, their SAE's and their CDE teams. This is a great opportunity to see what the program is all about, take a tour of the Ag wing and ask any questions you may have about the school and the Agricultural Education Program at Wamogo.
